### EXPECTATIONS

- Be on time for the bus and for practice
  - Unless otherwise stated, the bus will pick you up outside of Door 41
  - Practices are from 4:15pm-5:45pm
- Have ALL of your things (clubs, shoes, etc.)
- If you cannot make a practice/match, notify me ASAP
- If you have an unexcused absence from practice, you will miss one match
- Keep your grades up...no D's and no F's
- You will be expected to follow all rules and regulations laid out in the student handbook (drinking, smoking, drugs, etc. will NOT be tolerated)
- Represent the golf team in a positive manner 24/7
- You don't have to like your teammates, but you DO have to respect them
  - We don't do drama here

### HONESTY / CHEATING

- You are expected to have a general understanding of the rules of the game
- Red Stake, White Stake, Yellow Stake
- Ball must always be played down
- All strokes must be counted...INCLUDING PENALTY STROKES
- No Mulligans...don't even take one when you are practicing

- **ANY instance of intentional cheating will result in immediate expulsion from the team...there is no second chance in this category**
- To prevent cheating, you will be expected to keep track of your score and your opponent's score...KNOW WHAT THEY SHOT
- Do not be afraid to politely confront or question someone's score if you feel there is an error
- DO NOT tell me at the end of a round, "I think so-and-so cheated on #5 but I didn't say anything to her." If you sign a scorecard that you know is incorrect, then YOU will be disqualified as well!!!!
- Announce scores at the end of each hole
- If there is a discrepancy, address it politely...recount every shot on a hole
- If questions persist, get other group members involved in assisting
- Golf is a game of honesty, and one of the only school sports where you are expected to be your own referee...if you cannot play in an honest manner, you will NOT be playing for Zionsville Community High School

## DETERMINING MATCH PARTICIPANTS

- Summer Tournament Scores and Qualifiers will be played to determine Varsity and JV match participants
- Spots will be determined by previous scores, efforts at practice, or previous match results.
- Coach Anderson and Coach Thielbar always reserve the right to determine which individuals will play in matches
- Every effort will be made to ensure that everyone gets to play in as many matches as possible throughout the year...though numbers may be lopsided.
- Players who shoot the best scores have earned the right to play in the most number of matches

## PACE OF PLAY

- IHSAA Project 215 Initiative
  - Play "Ready Golf"
  - Walk with a purpose
  - Keep pre-shot routines to a reasonable time
- Place your bag in a location that makes sense
- No more than 2 practice swings

- If members of your group are falling behind, encourage them to pick up the pace....blame it on me...say, “My coach is a jerk and makes us play fast.”
